WHEN YOU HELP CREATE A FOSTER SCHOOL OF BUSINESS STUDENT'S FUTURE, YOU'RE CREATING FUTURES FOR ALL OF US.

This fiscal year, you can enhance your annual donation by contributing to the David (BA 1976) and Robin Nelson Students First Endowed Scholarship for Business. A gift of any size to this fund, made through June 30, 2008, will receive a 50 percent match from the University of Washington, with proceeds directed to scholarships for students at the Foster School of Business.

The matching funds have been made available through Students First, the endowed student scholarship matching initiative launched by the UW Foundation to ensure that a UW education remains affordable and accessible to all qualified students.

Individuals or groups of people or organizations also can create their own Students First endowed scholarship or fellowship with a single or combined minimum gift of \$100,000.

For more information or to contribute to the Nelson Students First fund, contact the Foster School of Business Office of External Relations at 206-543-0305.
