THE COMPANY

Kotis started on the UW campus 6 years ago by several students selling to others on campus. Today, Kotis is the fastest growing branded merchandise company in WA, selling to clients such as Microsoft, Jones Soda, and growing our college business to over 200 college campuses nationwide.

THE CULTURE

We're not your typical t-shirt provider, we're all college graduates and Greek alumni, and we make kick-ass shirts. We're passionate about our work. We've been called workaholics, party animals and everything in between. But we think that's a good thing.
